## SELLING A HORSE

Sellhorse want our vendors to sell with confidence. This is why we do our utmost to take care of our valued clients, and why we only offer ready to purchase buyers for your stock.

ALL horses entered have to be STAGBI registered (or registered with any other recognised international breed registry) and hold a valid Equine Passport.

Go to our Sellers page on the website where you will find a detailed guide to submit your entry.

**HOW TO ENTER:** Simply email your entry to [sellhorse@outlook.com](mailto:sellhorse@outlook.com), **entry is FREE**. Submit your name, the horse's name, age, colour and any additional comments you wish to include. Horse's details will be verified by STAGBI. STAGBI will provide a 4 generation pedigree box for the catalogue or a full Pedigree Page (as per Builth Catalogue 2019) can be provided by STAGBI for £15.

Pictures and videos are mandatory and should be attached to your email. We highly recommend following our entry criteria, front, rear and two side view images are required. This alongside a walk away and trot back video and/or a free trotting/pacing video. You may also upload any vetting information you may have to display to your prospective purchasers. Once we receive your information, we will then create your advert and catalogue page.

Choose your start price and a reserve if you have one. Don't worry if you miss something, our friendly team verify each advert and will be in touch. Then all you have to do is sit back and watch the bids fly in.

Prior viewing is encouraged and we offer unlimited photo, video and description characters. Your lot will also be published on our Facebook & Instagram for maximum exposure.

**COLLECTION:** Purchasers must collect lots within 7 days. Funds will be released to the Vendor upon successful collection of the lot.

No listing fees, the only time you pay is when you sell. Our 5% sellers fee will be deducted from your sale upon transfer. Your buyer will securely transfer funds to sellhorse.co.uk and then from sellhorse to yourself.

## BUYING A HORSE

As a purchaser with Sellhorse.co.uk your journey should be straight forward.

**Register with us so that you can start bidding today.**

The Sale will last 2 days and you can place a maximum purchase price from the outset or put the horse on a watchlist and follow the bidding as it happens. Bidding is in £25 increments with the winning balance to be paid upon completion of the auction. A 5% Buyers Fee will be added, but capped to a maximum of £250. Non payment will lead to forfeit of the purchase and the second highest bid will become the winner. Payment is made securely through PayPal. Rest assured your funds are safe as they are held by us and directed straight to your vendor when you collected your new horse. It is then down to you to liaise with the vendor to arrange collection of the horse, longer may be allowed at the vendors discretion in the case of international bids. Prior viewings are encouraged however detailed videos, photographs, and pedigree are all provided alongside a detailed description for your piece of mind.

### Buy with Confidence

We have stringent listing terms in place to ensure you can be confident with your online purchase. Our 4 point picture covers all angles of the equine, front, rear and side photos. You can also use the walk away and trot back video feature to assess both conformation and soundness.

If you are successful and secure a winning bid your purchase must be collected within 7 days or the sale will be void and relisted. Payment is made immediately and funds released to the vendor after successful collection of the horse.

FOR BUYERS and SELLERS please see the Full terms and conditions can be found on [www.sellhorse.co.uk](http://www.sellhorse.co.uk)

We hope that you embrace this new platform of buying and selling Standardbreds in the UK knowing that through the buyers and sellers fee, 7% of the sale price will be returned to the harness racing industry through sellhorse race sponsorship.
