STAGBI accepts no liability for any errors or omissions and any articles contained herein reflect the opinions of the writer which may or may not be the opinions of STAGBI or its Directors.

President's Report 2016

One of my first duties as STAGBI president this past year was to sign an agreement of understanding between the Irish Harness Racing Association (IHRA) and STAGBI effectively ending the previous agreement that brought all standardbred and trotting breeders in Great Britain & Ireland together in one stud book. The IHRA are now the recognised passport issuing organisation in Ireland. I wish to take this opportunity to wish IHRA every success in their endeavour to gain greater recognition for the standardbred and trotting horse and harness racing in Ireland. STAGBI directors hope to enjoy a professional working relationship with IHRA now and in the future, both parties owe it to members on either side of the Irish Sea.

I am pleased to be able to say that an enjoyable evening was had by all who attended the first ever joint BHRC/STAGBI awards night back in February in The Daresbury Park Hotel Warrington. It provided a great opportunity for breeders, owners, trainers, drivers and everyone else to come together and honour the equine and human achievements in our sport over the past season. With continued support this will certainly become a must attend night in the diary. A huge thanks goes out to Kirsty Lee & Sarah Thomas who along with support from Kirsty Legrice and Darren Owen made this night such a success. Darren hosted the evening in his usual brilliant manner.

Once again the STAGBI board of directors agreed to continue with the Breeders' Premium program that annually pays out over £5,000 in awards to winning breeders. The STAGBI Future Broodmares Races are now paying £2,500 directly from STAGBI and in 2016 we introduced further Breeders' Bonus totalling £2,000 to the winners of specific major races. Support from STAGBI will not end here with further rewards in the pipeline we are supporting the breed in the best way possible by recognising it first and foremost for its primary purpose, success on the track.

With the 2016 yearling sales now over many owners dreams are just beginning, this year's sales must be the best on record with very few yearlings at York and Bülth Wells failing to find new homes, averages were good at both sales and buyers and sellers both seemed happy for a

change. This bodes well for the future of the British Standardbred with breeders keen to reinvest in breeding stock. Providing the right balance between supply and demand can be held then breeders producing what the market wants will be rewarded accordingly.

As a breed society STAGBI is in a very healthy position. In the last few years we have invested in a new database called Grassroots, although the initial outlay was expensive it has proved to be worth every penny and a great asset to our association. This spring we moved our office from Llandrindod Wells to Lampeter, to a larger more modern facility. We now have a new member of staff assisting in the office and all appears to be working well.

Our annual accounts show our finances are in good shape and moves are afoot to invest some of our reserves to ensure a better return than current bank interest rates will allow. If we can make our funds work better for us then we can return even larger amounts through our breeders' awards program

STAGBI is a member based organisation and should be a member driven one, all the directors names and phone numbers are on our website and in our newsletter. As directors we are here to represent your views and voice your opinions, but we won't know what you want if you don't tell us!

Finally I would like to say I have very much enjoyed my first year of my two year term as president, I am optimistic about the future for our association and the Standardbred and Trotting horse breed generally.

I would like to thank all my fellow directors for their support this past year, especially Gwenan for her tireless effort on STAGBI's behalf, very few people know just how many hours go in to making this organisation work.

Merry Christmas & best wishes to all members for 2017.

Ryan O'Neil, President.

Reminder about your responsibilities as a horse owner as required by current EU regulation:

- YOU are required to register a foal within 6 months of birth or before 31st December of the year of birth.
- As a new owner YOU are required to notify the PIO of a change of ownership within 30 days of purchasing the horse.
- If you have imported a horse into the country YOU are required to register the horse within 30 days of import (this includes horses that have an existing passport that are imported from EU countries).
- YOU are responsible of reporting the death of a horse within 30 days and the passport returned to STAGBI within 30 days.

NOTICES

- ❖ **Replacement Microchips:** Please be reminded that in the event that it is not possible to locate a previously implanted microchip, **you are required to contact STAGBI for a replacement microchip.**

It is imperative that an alternative scanner is used to confirm that the microchip cannot be located and that the whole neck region (both sides) are searched. Whilst microchips are usually implanted in the mid crest region of the left side of the neck, they can migrate to the poll and shoulder region.

Should it be necessary to implant a replacement microchip, the vet needs to complete Replacement Microchip Form - confirming the identification of the horse; documenting new microchip details and obtaining a repeat DNA sample. The completed form, DNA sample and passport should be returned to STAGBI. In accordance with EU & DEFRA regulations, implanting a replacement microchip will result in the horse being excluded from the Human Food Chain. Both microchip numbers will be recorded in the passport and STAGBI database.

- ❖ **Reminder to MARE OWNERS:** Please remember that Foals born in 2016 should be registered by 31 Dec 2016. Late registrations will cost you more money, so please get your registrations in on time.
- ❖ **Reminder to STALLION OWNERS:** Please ensure that application for mating certificate forms are completed in full and returned to STAGBI OFFICE by 31 Dec. Mating certificates are issued at £10 per mare, whereas retrospective/late mating certificates cost £50 per mare.
- ❖ **Registrations of Standardbreds in Ireland:** As many of you may now be aware, the Irish Harness Racing Association (IHRA) has chosen to become

independent of STAGBI. The IHRA will manage the Irish Standardbred Stud Book and have been issued Passport Issuing Organisation status with registrations and passports being processed and issued by Horse Sport Ireland. As of 1st Feb 2016, the IHRA now request that all Standardbreds in Ireland are registered with the IHRA. Enquiries regarding new registrations should be directed to the IHRA 01 5310365 or info@irishharnessracing.com.

All current STAGBI passports issued to horses in Ireland are valid. However, the IHRA request that all Standardbreds in Ireland are exported from the STAGBI Stud Book/ Database and into the new Irish Standardbred Stud Book/Database. Irish owners are required to submit a completed **Application to Export Form with Export Fee (£50).**

Prior to transfer please ensure that the horse is currently registered in your name and that you are in possession of a valid passport.

**If you have not already transferred the horse into your name then you need to do so before horse can be exported from STAGBI to IHRA.

**If you require a duplicate passport, you will need to apply to STAGBI for a duplicate passport.

**If you are processing a new registration, please note that the dam of the foal has to be transferred from STAGBI to IHRA before the registration can be processed by IHRA.

Once a horse is exported from STAGBI to IHRA then any future transactions should be pursued with the IHRA. Stallions transferred from STAGBI to IHRA will be removed from STAGBI Stallion List and applications for future mating certs should be made to the IHRA. However, applications for retrospective mating certificates should be made to STAGBI. STAGBI and IHRA have agreed to honour mating certificates issued by either organisation regardless.

Due to increase in postage any passport posted to Ireland (Signed and tracked) will incur additional £10 fee, all other transaction incur £5 surcharge for postage.

STALLION LICENSING 2017

Over the past few years the process of stallion licensing has become more structured. Currently, as per STAGBI Rules and Regulations an application to register a stallion for stud duties should be submitted to STAGBI **prior** to the stallion being used for stud duties. An application to register a stallion for stud duties will only be considered by STAGBI if the following criteria are fulfilled:

- The stallion must be registered as a Full Bred Standardbred with STAGBI
- The stallion must have a DNA profile on record and be parentally verified by DNA analysis to his sire and dam.
- The stallion must be 3 (three) years of age or older
- The stallion must be examined by a Veterinary Surgeon and confirmed as suitable for stud duties

PLEASE NOTE: As of 1 April 2017, in addition to fulfilling the above criteria, the stallion must also have a performance record with a recognised organisation **OR** his sire must hold a record of 1:55.0 or faster in North America/Southern Hemisphere or 2:00 or in UK/Ireland.

The registration of a stallion for stud duties and the issuing of a Stallion Licence, is subject to the approval of STAGBI. If the application to register a stallion for stud

duties is approved, a Stallion Licence will be issued and the Stallion will be included on STAGBI's List of Licensed Stallions.

STAGBI have now worked on the Grading of stallions and every Licensed Stallion on STAGBI's active list will now be Graded as Grade A, B or C. The Stallion will be graded according to STAGBI's Stallion Grading Criteria as follows :

(Please note that a Stallions Grade may change during the course of time).

Grade A Stallions will have an official record of 1:55.0 or faster (North America/Southern Hemisphere) **or** 2:00.0 or faster (UK/Ireland) **AND** progeny who have won

Grade B Stallions will have an official record of 1:55.0 or faster (North America/Southern Hemisphere) or 2:00.0 or faster (UK/Ireland) **OR** progeny who have won

Grade C Stallions have neither a record of 1:55.0 or faster (North America/Southern Hemisphere) or 2:00.0 or faster (UK/Ireland) **NOR** any winning progeny.

It is hoped that a new STAGBI Stallion Directory will be produced for the 2017 Stud Season, this will include Stallion details, extended pedigree, grading and stud details. We are looking for a "Cover Boy" for this new Stallion Directory so if you have a photogenic stallion and would to see him on the cover of the 2017 Stallion Directory, please email image to STAGBI info@standarbred.org.

GRAHAM REES

Zestthewaywelikeit,

Winner of the Wales Breeders Premium & Brightwells Premium, not bad for a mare that was sold for a mere £550 in the 2014 sale!

She is a winner of 13 of her 28 starts with W&BCRA. In 2016, her wins included finals at Synod Inn, Aberystwyth, Caersws and Penybont. She also competed in the STAGBI race and from a tough draw and a hard run race was only just caught before the line. A 5 year old mare, her dam Alice Ann is by Southwest Art, thus being a 3 x 4 cross to Abercrombie, and out of Stoneriggs Image, with El Patrons Daughter her grand dam. A solid bottom line and having Abercrombie on the top line will bode well for her as a broodmare.

BRITISH BREEDERS BONUS

Whilst the Breeders Premium is well established and recognises the achievements of horses that have consistently performed during the racing season, STAGBI felt that achievements in high profile races should also be recognised and thus introduced the new British Breeders Bonus. The nominated races will be change from year to year, and for the 2016 racing

season the nominated races were the 2yo Vincent Delaney Memorial; 3yo BHRC National Pacing Derby; 4yo Senior Welsh Dragon; Appleby Whit Monday Final & Penybont Grade A Final.

For 2016 the inaugural winners are as follows and will be awarded at the STAGBI Award Dinner in February.

2yo Vincent Delaney Memorial (Fillies Div)	IB COYOTE 2014 f, Share the Delight (USA) x Jill and Jones	Bred & Owned by IB Stable	£500
---	--	------------------------------	------

IB Coyote owned by Donal & Tadhg Murphy from Co Cork, lightly raced and in the VDM by World Champion Dexter Dunne from New Zealand. The only British Bonus winner to be out of a British Bred mare.

3yo Derby (Colts & Geldings Dividion)	MIRACULOUS 2013 m, Arts Conquest (USA) x Another Mattie (USA)	Bred by G Price Owned by A Flower	£250
--	---	--------------------------------------	------

Miraculous, one of the superstars of the BHRC season. Leading BHRC horse by number of wins in 2016 season and his wins include Musselburgh 3yo, NWSA 3yo, Barney Joyce Memorial 3yo, Breeders Crown 3yo Colts, BHRC Derby (C&G) and BHRC Sire Stake(G&G)s. His lifetime earnings in excess of £47k and a record of 1.55.9.

3yo Derby (Fillies Division)	JESSIES CONQUEST 2013 f, Arts Conquest (USA) x Apopka Denise (USA)	Bred & Owned by M T Jones	£250
-------------------------------------	--	------------------------------	------

Jessies Conquest, another home bred super star and the only who to defeat Miraculous this season. Winner of Monmouth 3yo, Ceredigion 3yo (Fillies) NWSA 3yo, Little Welsh Dragoness, BHRC Derby (Fillies) and BHRC Sire Stakes. Just like Miraculous both are by Camden Stud's Arts Conquest and she is out of a mare than only be described a prolific producer, Apopka Denise - dam of winner after winner after winner.

Appleby Whit Mon Final	MASTER PLAN 2011 m, Dreamfair Vogel (USA) x Private Plan (USA)	Bred & Owned by Stephen Gilvear	£500
-------------------------------	--	------------------------------------	------

Perhaps the clue was in the name, Master Plan has been relatively lightly raced but a winner twice in Appleby in 2015 and second in the August final. This was his first outing of 2016 and won heat & final. The dam Private Plan, a 1.54 mare by No Nukes out of Farmstead Bella, a familiar name in the pedigree pages of NA's racecards and sales catalogues.

Penybont Grade A Final	ITHON INMATE 2008 m, Make A Deal (USA) x Cabo Girl (USA)	Bred by Bryn Fawr Stables Owned by A Price	£500
-------------------------------	--	--	------

It is fair to say that Ithon Inmate has been around for some time, and over 4 seasons holds an impressive record of 111 runs with 50 wins and a 1.58.7 record in Amman Valley in 2015. Out of Cabo Girl a Falcon Seelster mare.

Congratulations to all the winners of the in-augural British Breeders Bonus Award 2016. The nominated races for the £500 British Breeders Bonus 2017 Season will be the BHRC 2yo Futurity - 3yo Breeders Crown - 4yo Senior Welsh Dragon – Musselburgh Final (Hurriane) – Caersws Grade A Final. In addition, STAGBI will award a further £100 Breeders Bonus to the winners of BHRC 3yo Derby, Appleby Whit Mon Final, Ceredigion Saturday Final, Tregaron Welsh Classic Final, Crock of Gold Final and the Billy Williams FFA . All these races have all recently been granted Group 1 status by the BHRC and the winning breeders should be recognised.

STAGBI Future Broodmares Races 2016

The STAGBI Broodmares Races are now an established part of the racing calendar and it is satisfying to see races for these talented mares. Whilst STAGBI contributes £500 towards the prize money, the added money from some of promoters is encouraging and a reflection of the status awarded to the race. This year, tracks were granted the opportunity to have additional funding for subsequent races. Therefore, 7 races were held in total and thank you to the tracks for hosting these races.

finishes. Sureamsomething won 2 of the Scottish races (for different owners), ATM winner and runner up in 2 other races, crowd favourite Shades Of Grey shone at Tir Prince, Articulation Hall headed the photo finish at York and Rhyds Backchat clocked the fastest time, unlucky not to get under the 2 minutes.

Once again, the awards will be presented at the STAGBI Awards Dinner in February 2017.

There were some very competitive races, with some tight

YORK Standardbred Sales

Saturday 8th October saw all roads lead to York for the Annual Standardbred Sales and hosted by Camden Stud. In total there were 27 horses entered, 3 not forward and 4 not sold. The total sale value was £116,400 (average £5,880) with an average yearling price of £5,876. These show a significant increase from 2015, when the average sale price was £2440 and the average yearling price was £3012. This year the consignment from Camden Stud totalled £99,000 (average £11,000) and included sale topper Bobby Camden who sold for at £21,000, a colt from the first crop of Art Professor. Ronnie Camden, the well bred Bettors Delight colt out of a Matts Scooter

mare was the pick of the catalogue for many and made £20,000. Lot 4 Nancy Camden out of Second Symphony, the dam of 5 in 1:53 at £5,500 may have been a bargain for Billy Timmins.

Some nice yearlings changed hands and look forward to seeing them step onto the track in the not too distant future. The increase in prices may now be a result of less foals being registered but an increase in demand for yearlings and also a reflection of the positivity in the racing terms generated by the current popularity in juvenile pacing races.

Brightwells Standardbred Sales

Fifty nine horses were entered at the Brightwells Annual Standardbred Sale at Builth Wells on Monday 24th October, 2016. This is possibly one of the smallest number of entries, but probably the highest overall quality of sale. Of the 51 horses presented at the sale, 44 were sold. It turned out to be a great sale for newly weds, Gareth & Emma Price, who consigned 2 Hasty Hall yearlings. With the hammer going down for £32,00 & £21,000, a lovely wedding present. Congratulations to you both on the wedding and the sale.

Oakwood Stud consigned 5 yearlings and must be congratulated on their pre-sales campaign with uploading pre-sales videos, photos and regular updates. Their sale topper was OAKWOOD PLAYBOY (£30,000, yearling colt) imported in-utero. His dam Only Gossip was purchased at Harrisburg (2014) for \$25,000. And her last yearling in Harrisburg (2015) sold for \$40,000. OAKWOOD WRITEONME was very attractive on paper and was expected by many to top the sales, purchased on the day for £16,000,. Abbey Won is another unraced

mare, but has produced 4 in 1:53 including Bettors Glass (p4, 1:48.4 \$503,807) by Bettors Delight and On The Glass (p4, 1:49.0 \$728,666) by Art Major. Abbey Won was purchased at Harrisburg (2013) for \$33,000.

There is always eager anticipation to view the Rhyds consignment. Eight yearlings this year but no RHYDS STAR QUALITY having sustained an injury days before the sale. This left 6 fillies and only 1 colt. The 7 yearlings attained £79,700 (average £11,386), highest price, £19,000 for RHYDS SHOOFLY (Hasty Hall x Sandfly Hanover., which can only be described as a very mature strong filly. Her brother, Rhyds Ideal (Western Ideal x Sandfly Hanover) made £48,000 at Builth last year, and with the dam's first foal Mosquitto Blue Chip's current record (p3, 1:49.2 \$647,350) this may have been a bargain!

Lots 57 & 58 RHYDS RUMMY & RHYDS SAPPHIRE share the same blood lines and price at £14,000 – both are the result of proven crosses and will undoubtedly feature in the 2 and 3 year old results in the next few years. RHYDS ROCK N ROLL (Rock N Roll Heaven x Letter Perfect) at £7,000 might be considered disappointing. Letter Perfect was purchased for £13,000 at Harrisburg (2014) a young un-raced mare and this her first foal.

However she is a mare with a deep pedigree and having the Abercrombie top line will undoubtedly bode well with future breedings with Hasty Hall.

Brywins Stud had 7 yearlings consigned, all by the stud's 2 stallions Share the Delight and Star on the Beach. The highest price went to BRYWINS MAPLEBEACH, a Star on the Beach x Maple Hanover filly that sold for £2,600. Ayr Standardbreds having split their consignments between York and Builth only had 3 entries, with once again a yearling imported in-utero attaining their highest price. The hammer came down at £12,500 for the filly AYR MAJORETTE (Roll with Joe x JK Majorette). Chinatown Stud had 3 yearlings and CHINATOWN KIKI, the Kikikolt colt out of Meadowbranch Aruba, and a full brother to Chinatown Colt topped their sale, selling for £3,600.

Looking at the yearlings, 30 yearlings were sold with an average of £7,541 (16 fillies average £6562 & 14 colts/geldings average £8660). The average price of a yearling in 2015 was £5,243, which was an increase from previous years.

Scottish Standardbred Showing Championship 2016

On Saturday 15th October the inaugural Scottish Standardbred Showing Championship was staged at Howe Equestrian Centre, Fife. The ridden and in hand classes, as well as the Championship, were sponsored by STAGBI to promote the Standardbred in secondary disciplines once their racing careers are over.

Unfortunately the classes were not as well supported as was hoped, however those who participated in both classes were well received by the judge, who had not met Standardbreds previously. In the in hand class, it was the recently retired racehorse Ayr Escape who stole the show, when the judge completely fell in love with him. She described him as "beautiful, but he knows it!". He was awarded first place on his first attempt at showing, which also meant that he went forward to the Championship where he would compete against the winner and runner up from the Standardbred Ridden class later in the day.

The ridden class in the afternoon was won by a beautiful part-Standardbred who is new to showing but already proving to be rather good at it, with the other qualifier for the Championship coming in the form of a 22-year-old Control Factor mare called Storm

Control. She had competed at show jumping in her former years to a relatively high level, as well as dressage and now showing. She looked fantastic for her age.

In the Championship, the judge decided that she was going to award the two places (Champion and Reserve Champion) to the full bred, and the Championship went the way of Ayr Escape because she "love, love, LOVED him". It was thoroughly deserved and so wonderful to see a horse who was racing less than a month prior to the show being awarded the highest prize at a new discipline. The owner of Storm was also delighted to be named Reserve Champion.

Events like the Standardbred classes at Howe allow the general public who have never met the breed before to learn about them. The judge was bowled over by their manners; and before the Championship the organiser made a small presentation providing information about Standardbreds and harness racing. If you would like to share any further information about hosting similar show classes please contact STAGBI.

*Wishing you all a very merry Christmas
and a Happy New Year*
