# NOTICES

❖ **STAGBI & BHRC Awards Dinner :** On Saturday, 25<sup>th</sup> February STAGBI, in conjunction with the British Harness Racing Club (BHRC), staged the second joint awards event to celebrate the achievements of a number of horses and individuals throughout the 2016 racing season. The event was held at Daresbury Park, Warrington, and the evening was led by the renowned commentator Darren Owen, who guided the 170 guests through the

achievements of the winners, as well as interviewing drivers and promoters through the course of the evening.

In 2016, STAGBI awarded nearly £10,000 to breeders and owners through the Breeders Premiums, British Breeders Bonus and STAGBI Future Broodmares Races. The award winners were presented with their cheques and trophies by STAGBI President Mr Ryan O'Neil.

Congratulations to all the winners, great to see so many there to receive your awards.

# NEW REGISTRATIONS Dec 16 to Mar 17

Please note that when new registrations are received the passport is issued SUBJECT TO PARENTAL VERIFICATION (see notes page within equine passport). Should there be a subsequent issue with the DNA result or the Parental Verification has not been confirmed, then STAGBI will recall the passport

and suspend the registration until such time as the matter has been resolved.

In the case of Late Registrations (Registrations received after the year of birth), passports will not be issued until such time as Parental Verification by DNA has been confirmed. Please be aware that this can take up to 6 to 8 weeks.

# STALLION LICENSING 2017

Over the past few years the process of stallion licensing has become more structured. Currently, as per STAGBI Rules and Regulations an **application to register a stallion for stud duties should be submitted to STAGBI prior to the stallion being used for stud duties.**

An application to register a stallion for stud duties will only be considered by STAGBI if the following criteria are fulfilled:

- The stallion must be registered as a Full Bred Standardbred with STAGBI
- The stallion must have a DNA profile on record and be parentally verified by DNA analysis to his sire and dam.
- The stallion must be 3 (three) years of age or older
- The stallion must be examined by a Veterinary Surgeon and confirmed as suitable for stud duties

PLEASE NOTE: As of 1 April 2017, in addition to fulfilling the above criteria:

the horse must have a performance record with a recognised organisation

OR his sire must hold a record of 1.55.0 or faster in North America/Southern Hemisphere or 2.00 or in UK/Ireland.

The registration of a stallion for stud duties and the issuing of a Stallion Licence, is subject to the approval of STAGBI. If the application to register a stallion for stud duties is successful and a Stallion Licence is Issued, the Stallion will be included on STAGBI's List of Licenced Stallions and Graded accordingly.

STAGBI have now worked on the Grading of stallions and every Licenced Stallion on STAGBI's active list will now be Graded as Grade A, B or C. The Stallion will be graded according to STAGBI's Stallion Grading Criteria as follows, noting that a Stallions Grade change during the course of time.

**Grade A** Stallions will have an official record of 1:55.0 or faster (North America/Southern Hemisphere) **or** 2:00.0 or faster (UK/Ireland) **AND** progeny who have won

**Grade B** Stallions will have an official record of 1:55.0 or faster (North America/Southern Hemisphere) or 2:00.0 or faster (UK/Ireland) **OR** progeny who have won

**Grade C** Stallions have neither a record of 1:55.0 or faster (North America/Southern Hemisphere) or 2:00.0 or faster (UK/Ireland) **NOR** any winning progeny.

Stallion Grades will be reviewed annually and stallions may be upgraded if the criteria is fulfilled or at the discretion of the Directors of STAGBI.

## STAGBI STALLIONS 2017:

Listed are stallions that are currently active & registered with STAGBI. Stallions that have been exported to the Irish Standardbred Stud Book are not listed. A full list of all stallions registered with STAGBI is available on the website.

Please notify STAGBI if details are incorrect.

## Registrations of Standardbreds in Ireland:

As many of you may now be aware, the Irish Harness Racing Association have chosen to become independent of STAGBI. The IHRA will manage the Irish Standardbred Stud Book and have been issued Passport Issuing Organisation status with registrations and passports being processed and issued by Horse Sport Ireland. As of 1st Feb 2016, the IHRA now request that all Standardbreds in Ireland are registered with the IHRA. Enquiries regarding new registrations should be directed to the IHRA 01 5310365 or [info@irishharnessracing.com](mailto:info@irishharnessracing.com).

All current STAGBI passports previously issued to horses in Ireland are valid. However, the IHRA request that all Standardbreds in Ireland are transferred from the STAGBI Stud Book / Database and into the new Irish Standardbred Stud Book / Database. In order to achieve this, Irish owners are required to submit a completed **Application to Transfer Form with appropriate fee (£50)**. Please ensure that the horse is

currently registered in your name and that you are in possession of a valid passport.

- If you have not already transferred the horse into your name then you need to do so before horse can be exported from STAGBI to IHRA.
- If you require a duplicate passport, you will need to apply to STAGBI for a duplicate passport.
- If you are processing a new registration, please note that **the dam of the foal has to be transferred from STAGBI to IHRA before the registration can processed by IHRA.**

Once a horse is exported from STAGBI to IHRA then any future transactions should be pursued with the IHRA. Stallions transferred from STAGBI to IHRA will be removed from STAGBI Stallion List and applications for future mating certs should be made to the IHRA. However, applications for retrospective mating certificates should be made to STAGBI
