THE STANDARDBRED & TROTTING HORSE ASSOCIATION OF GREAT BRITAIN & IRELAND (STAGBI)

APPLICATION for EXPORT CERTIFICATE (Except Ireland)

INSTRUCTIONS

This Application is for a horse registered with STAGBI that is to be exported to another country. An application for an export certificate must be applied for, **BEFORE the horse leaves Great Britain or Ireland.**

Items to be returned to STAGBI Checklist

- **You are required to complete Application for Registration (PART A) in the event of the horse being sold, please complete a transfer of ownership form too.** ☐
- **You are required to confirm that the description (silhouette and text) recorded in the horse's passport is a full and true description of the horse. In the event of any discrepancy, PART B of this application should be completed by a Vet or STAGBI Authorised Person** ☐
- **Please send a photocopy/Photo of pages 2&3 of the passport** ☐
- **Fee/s £550 for export cert to USA/Canada, £150 for export cert to EU (plus transfer of ownership of £20 for member £35 for non-members)** ☐

In the event of more than one owner, each owner must sign the forms and be a current member of STAGBI.

Once the application is received by STAGBI, the performance record of the horse in Great Britain & Ireland will be requested from the appropriate racing authorities.

The Export Certificate will be issued directly to Registry of the country of destination.

If you require further assistance, please contact STAGBI Office

Sort Code: 40-08-53
Acc No: 91106252
Ref: Name of Horse

NOTES for VETERINARY SUREGON completing application:

IF DNA is extracted: Select 80-100 clean dry hairs with roots, taken from the mane or tail.

MICROCHIP: IF a replacement is required, please use STAGBI supplied Microchip that complies with ISO 11784 and 11785. Otherwise please confirm microchip number on silhouette.

IF MARK UP is required: Please adopt a procedure as described in the Weatherbys' Identification Guidelines Booklet

When completing the silhouette, where possible, please mark **at least 5 identifying features** (e.g. whorls, white marks, scars). All white markings should be outlined in red with hatched diagonal lines. Whorls should be marked by an 'X'. Microchip site indicated by circled M. The written description below the silhouette should be typed or written in BLOCK CAPITALS and should match the silhouette.

Vet completing the Mark up is required to sign, date and stamp. Thank you

THE STANDARDBRED & TROTTING HORSE ASSOCIATION OF GREAT BRITAIN & IRELAND (STAGBI)
